Letters to the Editor

Freedom of Speech . . .

Thank you for your remarkable editorial of April 30 entitled "Freedom and Secrecy." You have crystallized the insanity into which we are slowly plunging ourselves. Shall the free press be compromised so that future C.I.A. bangles will go by unheard of? If we decide that the only way to beat communism is to adopt its means, we must do this with the full realization that we are relinquishing all we have ever stood for. BRUCE M. SNIDER
